In the meantime, if you feel isolated or alone, feel free to reach out to one another. Remember DAR is a sisterhood and we are here for one another. As we continue to face the COVID-19 pandemic together, please know you are on my mind and I am wishing you all the gift of good health and happiness.

If you are looking for something to keep you busy as you shelter-in-place, there are a number of internet projects through the National DAR that you can get involved with. Just visit the members website and see what might interest you. Also, we would love to hear what you have planned or are doing to keep yourself busy while you stay safe. *(Pictures are our favorite!)*

Please remember to keep safe by practice social distancing, washing your hands, watch that show your friend has been suggesting, read that book that has been sitting on your shelf, or finally start the research on your supplement that you have been meaning to do for all this time.

Stay safe, stay home and remember to protect yourself and your families,

Linda
